

SECURITY LABELS

SECURITY LABELS

Tamper evidence security seals using enhanced performance self-adhesive materials which show a clear security message when seal is lifted. Ideal for use on smooth surfaces in applications where it is necessary to control access or usage, also too indicate unauthorised interference (aircraft doors, vehicles, lockers, containers, restricted areas, cupboards...)

Material: Polyester mylar and high tack acrylic adhesive backing

- ⇒ Supplied in rolls of 1.000 labels
- ⇒ Customised design text or logo together with sequential numbering and/or barcoding
- ⇒ Seal can be supplied in any shape or size as per customer requirements
- ⇒ Smooth "write-on" surface
- ⇒ Suitable application temperature 0° and 80° (operating temperature -30°C and +100°)

SECURITY LABELS

CKR for your shipments

Shipments: Placing labels on the packaging before sending the package, you ensure non-manipulation of the content of the package to the final destination.

Returns: Only accept returns properly sealed. Delivering a label with the delivery note or invoice, your customer has to make the return on a sealed package.

So you make sure that its contents have not been tampered with in transit

- ⇒ Security label. Standard colour Red. Standard measure 85*25 mm
- ⇒ It shows a clear VOID message when lifted but the residue can be easily removed
- ⇒ Packaging Rolls of 500 units with write panel and numbering
- ⇒ Can be customised up to 3000 units

Security Courier envelopes in polyethylene with permanent adhesive

Triple welded on the edges which gives a great strength

Allows hand writing. Impossible to reuse due to its high impact adhesive

Available for immediate delivery. Possibility of customization

Measures stock; 35*45 cm +5 flap

Warranty security seal

Using our security seal PULL FLY and TEN-LOK, you will have the assurance that their product has not been used for its return. Legally, the security seal allows not to accept returns if it is opened or tampered with.

In various colours

It can be labelled as required
