

Indicative fixed length metal strap seal

Colours

- ✓ Ideal for land/road transport, maritime transport, customs and forwarders
- ✓ The strong and durable metal strap can withstand harsh handling and climatic conditions experienced with long-haul shipments
- ✓ It requires a cutting tool for opening.
- ✓ Recognized by international customs. Great resistance to temperature changes
- ✓ Typical applications include trucks and tankers, customs control, airline cargo, empty shipping containers, rail wagons and warehouses.
- ✓ Heat staking is used to permanently bond caps and seals, and cannot be cut or forced open without leaving clear evidence of tampering.

Measurements	Features	Packaging	Min. Quantity
Shipping-Lok	Flag: Polypropylene. Strip: Tin-plated metal	1.000 units	Stock:
Flag: 68,5*20 mm	Locking Mechanism:	Box: 362*222*255 mm	1.000 units
